Directions For Completing Transfer of Ownership

1. Enter the SHOBA registered name and number of the horse sold as it appears on the registration certificate.
2. Enter the date of sale.
3. Indicate whether the horse sold is a stallion, mare or gelding and whether it has been DNA typed.
4. Print the name of the buyer as it should appear on the newly issued registration certificate.
5. Enter the buyer's correct mailing address and obtain his/her signature.
6. Print the name of the seller as it appears on the registration certificate of the animal to be transferred.
7. Enter the seller's mailing address and obtain his/her signature.
8. If the horse to be transferred is a mare, indicate whether she is being sold "open" (not served) or "bred." If she was served prior to the date of sale, but had not yet foaled, enter the registered name and the registration number of the sire. Enter the date(s) served by the stallion. Indicate whether she was bred naturally or artificially.

If the horse to be transferred has not yet been registered, but has a completed application on file at the Association awaiting parentage verification, a transfer form may be completed and returned with fee, so that when the original certificate is issued the papers will go to the new buyer.

Buyer: Submit completed transfer form, original registration certificate and \$25.00 transfer fee to:
